SCHOOL MENTAL HEALTH TRAINING SERIES

Julie Love, MSN, APRN, PMHNP-BC
Clinical Director, McLean School Nurse Liaison Project

Julie Love is the Director of the McLean School Nurse Liaison Project, a program promoting children's mental health by offering support, consultation, and education to school staff throughout southeastern Massachusetts.

Julie was a Pediatric Primary Care Nurse Practitioner for 20 years and is now a Psychiatric NP. She worked as a school nurse in Somerville, and a camp nurse in New Hampshire. She has also been a psychiatric nurse for twenty years, working with people of all ages in a wide range of settings.

She has been a nursing instructor teaching pediatrics, maternity, and psychiatric nursing for many Boston area nursing schools. She lives in Mansfield with her husband, son, and far too many pets; her daughters live in Boston and Rotterdam. She is passionate about promoting respect and compassion for people with mental illness.
